

WIVEY WALKERS
WALKS DISCLAIMER

Walking is one of the healthiest and safest of outdoor activities.

However, neither the Wivey Walkers Steering Group nor the walk leaders have control of the environment of the walks, the weather, any animals or of the walkers themselves. Whilst taking normal precautions and providing reasonable help and assistance as necessary, they cannot accept responsibility for any circumstances affecting the health or safety of the walkers in the party.

Wivey Walkers has Public Liability Insurance which is designed to protect leaders against any claims for damage to property or injury to participants. This is not a personal accident insurance and participants on walks are responsible for their own health and safety.

Participants who bring a dog are responsible for its safe keeping and safety, for ensuring it is under control at all times and for ensuring that it does not cause a problem to other walkers, to livestock or to the environment of the walk.

I have read, understood and accept the foregoing Disclaimer.
